## **Report:**

Computer Department of Don Bosco Institute of Technology organized a **Panel Discussion on "Life Post Covid"** under Webinar Series called "*Gain Momentum: Unlock your potential*". Event was coordinated by Ms. Priya Kaul and Ms. Ditty Varghese. The discussion could cover points like - Impact of Covid on general Lifestyle, Technology trends, and the Job market. Our panellists included stakeholders like Industry Expert, Alumni, Student representative and a Parent. With their unique expertise and experiences, we had a multi-layered discussion catering to the needs of audiences from different backgrounds. Details of the Panellists are as follows:

**Mr. Ravish Sahay (Industry Expert)** Co-Founder Director at Sequelstring Solutions And Consultancy Pvt Ltd. Profile:  
<https://www.linkedin.com/in/ravish-sahay-6b11071>

**Mr. Dion George (Alumnus Batch 2019)**  
Software Developer at Cuemath  
Profile: <https://www.linkedin.com/in/dion-george>

**Mr. Aarish Iyer (Alumnus Batch 2019)**  
MS in CS at Dartmouth (Ivy League research university)  
Profile: <https://www.linkedin.com/in/aarish-iyer>

**Mrs. Sharon Pires (Parent Representative)**  
President YWCA,  
Secretary LPG HR- BPCL

**Ms. Sasha Pais (Moderator, Student Representative)**  
TE COMP 2019-2020

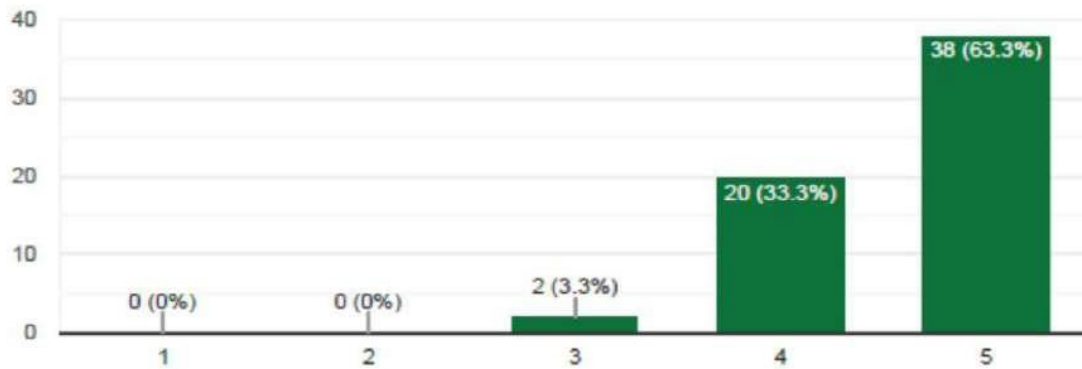

The event started with Ms. Sasha Pais, Moderator of the Panel Discussion by giving a small introduction to the event. Welcome address was proposed by Head of the Department, Ms. Sana Shaikh. Principal, Dr. Prasanna Nambiar also addressed the audience and was very glad to have an event like this which talks about the current situation. After that, Panellist were introduced and the discussion started by reading out the guidelines and rules to be followed by the panellist during the discussion. Panel discussion was systematically divided in 3 sections like Impact on Jobs, Lifestyle Shift and Utilizing time during lockdown. Q & A was also conducted after the end of the third section wherein questions from audience were directly answered. Questions were taken from YouTube live chat. The objective of the discussion was to build awareness about the personal and professional challenges that every individual is subjected to face post covid. This discussion was relevant not only to students, but also to working professionals, parents, and educators and to students

confused about what lies ahead. Student volunteers played a major role in coordinating the event and streaming of the event online. Event ended with vote of thanks proposed by Sasha Pais. Overall the feedback received was very positive and it is illustrated below in the bar graph.

## Feedback Analysis:

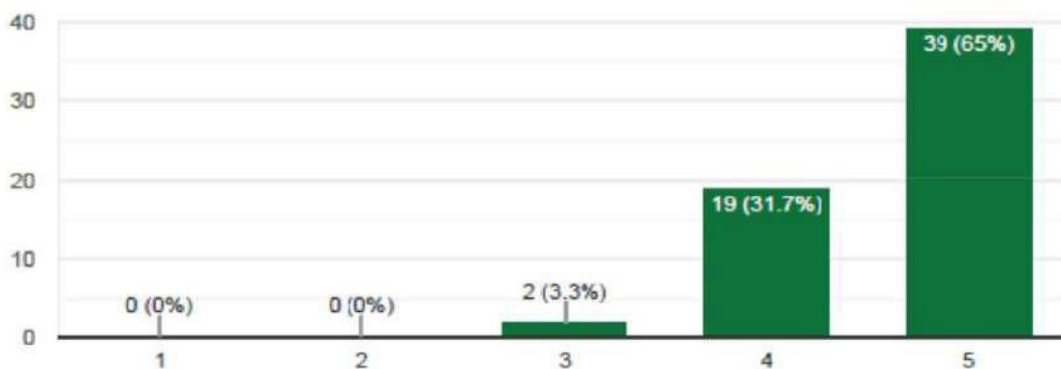

The webinar gave good insights into lifestyle/technology shift with respect to current scenario?

60 responses

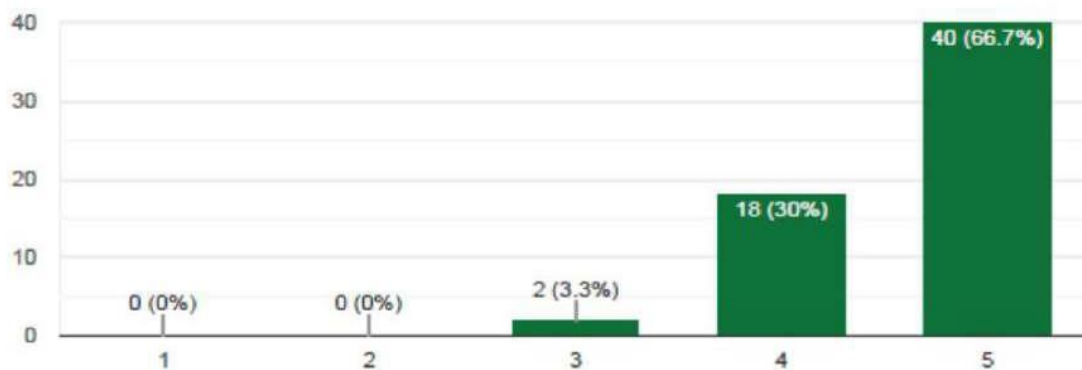

All panel members were able to deliver appropriate information about the opportunities and challenges of the future?

60 responses

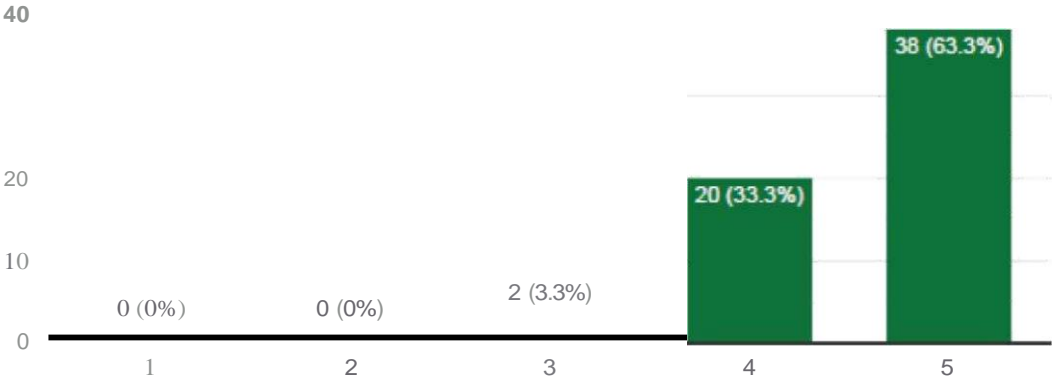

Was the session thought provoking and engaging ?

60 responses

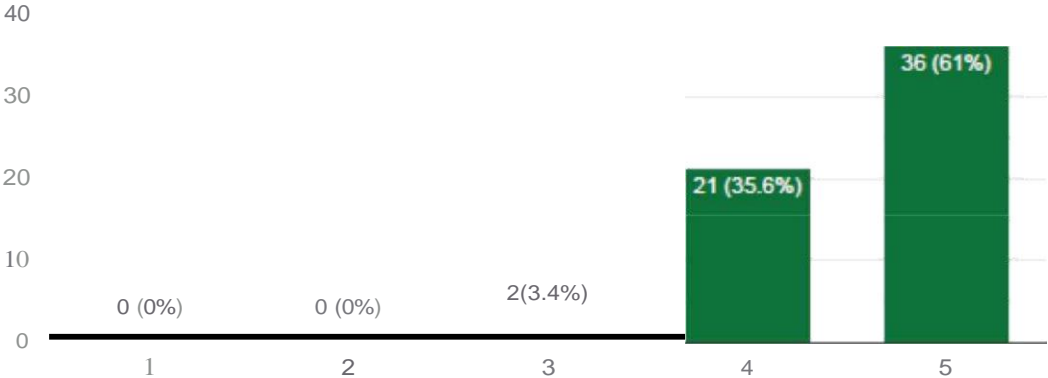

The panelists were able to answer all questions satisfactorily?

60 responses

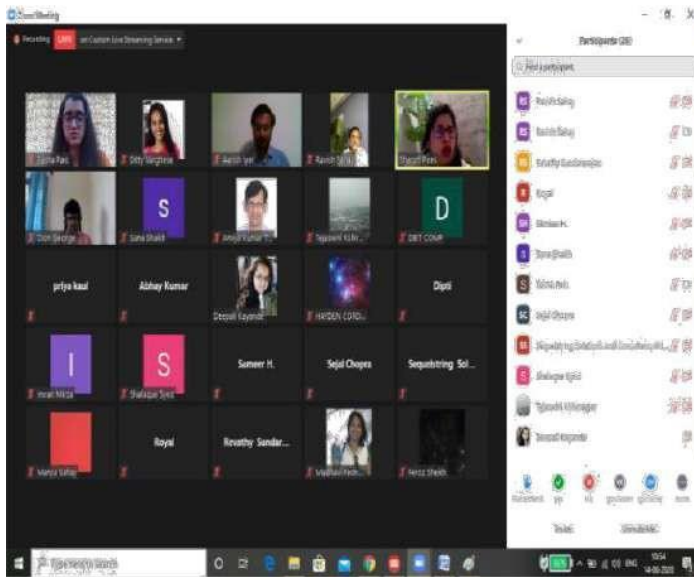

Do you think knowledge gained from this discussion will help you in better decision making for your future?

59 responses
