

DON BOSCO INSTITUTE OF TECHNOLOGY
DEPARTMENT OF COMPUTER ENGINEERING

Programming Club

Mission Debug

Objective :

To have a coding competition for the students of Third Year Engineering to test their skill on debugging, problem assessment, and algorithm building.

Date : 29th August, 2019

Time : 11:15am to 1:15 pm

Venue : Computer Center, Comp Lab 06(Hardware Lab)

Faculty Coordinator : Ms. Mayura Gavhane and Ms. Shafaque Syed

Event Report:

Mission Debug
By Programming club

DATE: THURSDAY, 29TH AUGUST
TIME: 11:15AM TO 1:15PM
VENUE: COMPUTER CENTER

Winners of the competition
will get internships from the Computer Department

The Programming Club of the Computer Department organized a debugging competition for the students of **TE COMPS** which took place on **29th August** from **11:15am to 1:15pm** in the **Computer Center and Hardware Lab**. **59** students took part in the competition.

The competition consisted of 4 problems/code consisting of multiple errors, namely Syntax, Semantic, Logical, Runtime and Compile time errors. After the contestant debugged the code, they had to call a volunteer to note down the time of completion. The correctness of the solution was checked after the commencement of the competition. Additionally, the noted down time had to match the last accessed time of the file and the solution to the problem should be in accordance with the problem.

Result for Mission Debug:
