Report on Tableau Workshop

Timing: 9:30 a.m. - 12 noon

Venue: Comp Lab-8

Instructors: Ms. Sana Shaikh, Ms. Ditty Varghese, Ms. Priya Kaul

No. of participants: 14

A workshop on Tableau – Data Visualization tool was conducted on 6th September 2019 for teaching faculty of DBIT by Ms. Sana Shaikh, Ms. Ditty Varghese and Ms. Priya Kaul. Following were the topics covered during the session:

- Tableau Basics
- Aggregation, Filters, Dashboard
- Creating Dashboard
- Data Preparation

It was a thorough hands-on session. It was a delightful sight to see all the participants being engaged and engrossed in exploring the tool and trying to use various features. All the participants appreciated the real world examples used for explaining each topic. They could relate the visualization results generated by tableau and realized that this tool can be very handy for solving their everyday problems in a much effective way.

They found the session to be so good that they requested for an advanced version of Tableau workshop. Overall it was a successful session and instructors are looking forward to having another one on the same topic.
